

Vader Modular Fuzzer Contributor License Agreement ("Agreement")

In order to clarify the intellectual property license granted with Contributions from any person or entity, The Charles Stark Draper Laboratory, Inc. ("Draper") must have a Contributor License Agreement (CLA) on file that has been signed by each Contributor, indicating agreement to the license terms below. This license is for your protection as a Contributor as well as the protection of Draper and its users; it does not change your rights to use your own Contributions for any other purpose.

This version of the Agreement allows an entity (the "Corporation") to submit Contributions to Draper, to authorize Contributions submitted by its designated employees to Draper, and to grant copyright and patent licenses thereto.

You accept and agree to the following terms and conditions for Your present and future Contributions submitted to Draper. Except for the license granted herein to Draper and recipients of software distributed by Draper, You reserve all right, title, and interest in and to Your Contributions.

Definitions. "You" (or "Your") shall mean the copyright owner or legal entity authorized by the copyright owner that is making this Agreement with Draper. For legal entities, the entity making a Contribution and all other entities that control, are controlled by, or are under common control with that entity are considered to be a single Contributor. For the purposes of this definition, "control" means (i) the power, direct or indirect, to cause the direction or management of such entity, whether by contract or otherwise, or (ii) ownership of fifty percent (50%) or more of the outstanding shares, or (iii) beneficial ownership of such entity.

"Contribution" shall mean source code, documentation, or any original work of authorship, including any modifications or additions to an existing work, that is intentionally submitted by You to Draper for inclusion in, or documentation of, any of the products owned or managed by Draper (the "Work"). For the purposes of this definition, "submitted" means any form of electronic, verbal, or written communication sent to Draper or its representatives, including but not limited to communication on electronic mailing lists, source code control systems, and issue tracking systems that are managed by, or on behalf of, Draper for the purpose of discussing and improving the Work, but excluding communication that is conspicuously marked or otherwise designated in writing by You as "Not a Contribution."

- 1. Grant of Copyright License.** Subject to the terms and conditions of this Agreement, You hereby grant to Draper and to recipients of software distributed by Draper a perpetual, worldwide, non-exclusive, no-charge, royalty-free, irrevocable copyright license to reproduce, prepare derivative works of, publicly display, publicly perform, sublicense, and distribute Your Contributions and such derivative works.
- 2. Grant of Patent License.** Subject to the terms and conditions of this Agreement, You hereby grant to Draper and to recipients of software distributed by Draper a perpetual, worldwide, non-exclusive, no-charge, royalty-free, irrevocable (except as stated in this section) patent license to make, have made, use, offer to sell, sell, import, and otherwise transfer the Work, where such

license applies only to those patent claims licensable by You that are necessarily infringed by Your Contribution(s) alone or by combination of Your Contribution(s) with the Work to which such Contribution(s) was submitted. If any entity institutes patent litigation against You or any other entity (including a cross-claim or counterclaim in a lawsuit) alleging that your Contribution, or the Work to which you have contributed, constitutes direct or contributory patent infringement, then any patent licenses granted to that entity under this Agreement for that Contribution or Work shall terminate as of the date such litigation is filed.

3. **Maintenance and Support.** You are not expected to provide support for Your Contributions, except to the extent You desire to provide support. You may provide support for free, for a fee, or not at all
4. **Warranty.** Unless required by applicable law or agreed to in writing, You provide Your Contributions on an "AS IS" BASIS, WITHOUT WARRANTIES OR CONDITIONS OF ANY KIND, either express or implied, including, without limitation, any warranties or conditions of TITLE, NON-INFRINGEMENT, MERCHANTABILITY, or FITNESS FOR A PARTICULAR PURPOSE.
5. **Representations.**
 - a. You represent that You are legally entitled to grant the above license. You represent further that each employee of the Corporation designated by You is authorized to submit Contributions on behalf of the Corporation.
 - b. You represent that each of Your Contributions is Your original creation.
 - c. You agree to notify Draper of any facts or circumstances of which you become aware that would make these representations inaccurate in any respect.
6. **Contributor Acknowledgements.**
 - a. You acknowledge that you are providing Your Contribution to Draper on a gratuitous basis and that this does not create an obligation on the part of Draper.
 - b. It is your responsibility to notify Draper when any change is required to the list of designated employees authorized to submit Contributions on behalf of the Corporation, or to the Corporation's Point of Contact with Draper.
 - c. You agree that any CLA you submit to DRAPER may become part of the public record should DRAPER be ordered to release it by a valid court order, or other legal means. DRAPER is not under any obligation to inform you of this action before, during, or after it occurs.
